

A GOOD PORTRAIT IS MORE THAN A LIKENESS

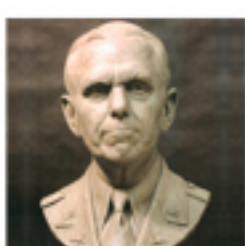

Brilliant leaders are the perfect subject matter for portraiture. Historically, they have been honored with countless paintings and sculptures that capture the respect they command. Our strong leaders are the pillars of society, guiding and protecting us.

At Portraits, Inc. we've been preserving memories of our nation's leaders since 1942. We know how to capture a moment in time and make it last forever. With a roster of 130 museum-quality painters and sculptors, we're uniquely qualified to help you choose the most appropriate artist for your portrait.

Please call us today. We'd love to show you how to create the perfect portrait.
